

BSC Instant Access Program

TEACHING & LEARNING CENTER

What is Instant Access?

- Digital course materials are available on your blackboard course page on the *first* day of class
- Materials are charged on your student account
- Materials are provided at a drastically reduced price

How Does It Work?

- Access your digital materials through a link on your blackboard course. Refer to your syllabus and/or ask your instructor for the exact location of the link
 - Refer to your syllabus and/or ask your instructor for the exact location of the link
- Cost of the materials will be charged to your student account through Campus Connection
 - Charges appear on your account as "Bookstore Instant Access"
 - Charges do not appear until after the add/drop date
 - Check your student account the day after the last day to add/drop date to pay for the materials
- *Option:* Opt out of the instant access program and obtain materials from a different source
 - Opt out using a link in your blackboard course
 - Refer to your syllabus and/or ask your instructor for the location of this link
